## **Agenda**

- |  |  |
|--|--|
| 1. Economic Progress Measurement: should we use a matrix/measure, and if so, what should it be?                                    | Desired Outcome: Discussion and feedback       |
| 2. Commercial Promotions: should we promote our local businesses, and if so, what would be the most effective way to promote them? | Desired Outcome: Discussion                    |
| 3. Leakage Analysis: how should it be used?  | Desired Outcome: Discussion                    |
| 4. Update on the Northern Transition Area Study  | Desired Outcome: information update/discussion |
| 5. Old Business  |  |
