

*The Northern Study Area
Plan Implementation
Review Committee invites
you to its second
Community Forum!*

On April 21, 2007, participants in a community forum on Carrboro's Northern Study Area identified these key items:

- Land use
- Transportation and transit
- Regulatory process and planning
- Community character and design
- Affordability
- Sustainability
- Environmental Quality

This is an opportunity to discuss these topics and help shape your community's future development. Invite your neighbors and friends. Don't miss it!
