News Release

For Release: Immediate

Date: January 22, 2010

Climate Change Expert to Speak February 1st

James Hansen, a leading expert on global climate change, will speak at the University of North Carolina at Chapel Hill on February 1st, 2010. Mr. Hansen will discuss “Global Climate Change: What Must We Do Now?” His lecture will be at 7 p.m. in Memorial Hall, and it is free to the public. No advanced tickets are required. A public reception and book-signing will follow the lecture. The Carrboro Board of Aldermen voted at the January 19, 2010 meeting to promote this event to the community.
